LUXURY NILE CRUISE SAILING BOAT, 6 CABINS

### Overview

The stunning Sanctuary Zein Nile Chateau, a bespoke dahabiya (traditional Egyptian sailing boat), is the first of its kind on the Nile. An oasis of calm tranquility, it is reminiscent of the glamour of old world sailing. What truly sets this sailing boat apart is the design of its public areas, which are enclosed with sliding glass doors that can be opened to allow guests to enjoy an indoor/outdoor lounge experience. Sailing down the Nile has never been so satisfying.

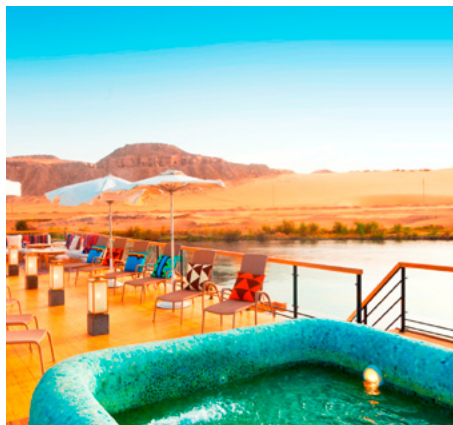

### Accommodation

The beautiful Farouk Suite is inspired by Egypt's Royal era, seen in the furniture, décor and photographs adorning the walls, the poignant centre piece is an original hand-woven rug, a replica of a family letter sent by King Farouk to his mother. The tranquil Napoleon Suite reflects Egypt's influential Napoleonic era. A drawing of the route his forces took through Egypt spreads across the suite walls and a magnificent four poster bed is elegantly placed to enhance the regal nature of the suite. Each of the four additional cabins is decorated in its own original style with influences drawn from Egypt's history, culture and geography.

All cabins are fitted with luxurious amenities, modern bathrooms with intricate wall tiles set in glass, air-conditioning with individual control and equipped with LCD television and satellite.

### Facilities

Launched in 2010, the Sanctuary Zein Nile Chateau has a stunning upper deck, a luxurious Arabian themed sun deck with a dipping pool, an opulent styled dining area and a magnificent lounge with panoramic views, which are enclosed with sliding glass doors that can be opened to allow guests to enjoy an indoor/outdoor lounge experience on the Nile.
